Beginning Freshmen

Admission to Southeast is based on a combination of the highest ACT or SAT score and the cumulative high school grade point average.

ACT Composite	SAT (CR+M)	Cumulative HS GPA on a 4.0 Scale
21	or 980	and 2.00
20	or 940	and 2.50
19	or 900	and 2.50
18	or 860	and 2.75

In addition to meeting the test score and GPA requirements, applicants must complete a minimum of 17 units of high school core curriculum (year-long classes), as follows:

- ✓ **English** – 4 units (two emphasizing composition or writing skills; composition, English I-IV, literature and one unit of speech or debate acceptable)
- ✓ **Mathematics** – 3 units (Algebra I, Algebra II/ Intermediate Algebra, Geometry, Trigonometry, Pre-Calculus, Calculus, Math Analysis acceptable)
- ✓ **Social Studies** – 3 units (one unit of American history and one semester of government required; contemporary issues, business law, philosophy, psychology, sociology, world history also acceptable)
- ✓ **Science** – 3 units (not including general science; select physical science, earth science, environmental science, astronomy, biology, chemistry, physics, botany, zoology or anatomy and physiology; one must be a lab course)
- ✓ **Visual/Performing Arts** – 1 unit (art, dance, music or theatre)
- ✓ **Additional** – 3 units (foreign language and/or a combination from the above areas)

Note: If your school does not have a 4.0 scale, convert your GPA to a 4.0 equivalent by multiplying your GPA by four and dividing that number by the scale your school uses. Example, a 4.38 GPA on a 5.0 scale converted GPA equivalent is 3.5. [(4.38x4)/5=3.50].

Residence Halls

Living in the residence halls contributes to your overall education. Research demonstrates that students who live on campus do better academically and rate their college experience as more satisfying.

Southeast's campus includes 13 residence halls, whether you are interested in community-style or suite-style housing. For more information, visit www.semo.edu/housing.

After admission to the University, complete the Contract for University Housing online via the process outlined in your admission materials. A \$150 housing deposit is required. Enrollment at Southeast continues to grow. As a result, the residence halls at Southeast may reach their full capacity by July 1. The recommended housing contract completion date is December 1. Due to space limitations, submitting a housing contract by this date does not guarantee that students will be placed in their choice of housing.

- ✓ Living with parent(s) or legal guardian(s) and commuting from their residence within a reasonable distance (50 miles) of Cape Girardeau

Jane Stephens Honors Program

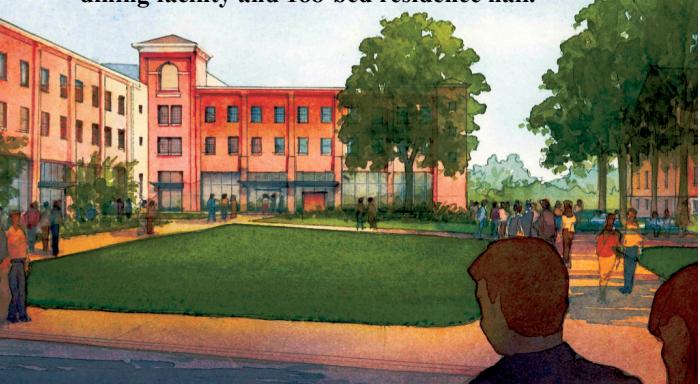

The Jane Stephens Honors Program offers opportunities tailored to the aspirations and motivations of students with intellectual and creative abilities, underscoring Southeast's commitment to leadership. Honors credit may be earned by taking honors courses in the University curriculum or by completing honors contracts for courses taught by honors faculty.

The honors community in Merick Hall allows contact and support from other honors students, combined with the diversity of living in a large residence hall. For more information, call (573) 651-2513. www.semo.edu/honors

*Many consider Southeast's residence halls
to be the best in Missouri.*
